

THE RAMBLERS
LEICESTER & DISTRICT GROUP
Minutes of the Annual General Meeting
Saturday November 22nd 2014

The AGM was preceded by a morning walk of 5 miles led by Terry Bates, and a buffet lunch. Peter Osborne then gave a talk entitled "*Rambling from the Landowner's Point of View.*"

Present were:

Terry Bates (Chairman), Howard Watmore (Vice Chairman), Phil Freer (Secretary), Bob Collins (Treasurer), Dave Siddons (Programme Secretary), John Rhodes (Coach Secretary), Anne Bates (Minutes Secretary), John Jackson (Committee Member), Frank Russell (Committee Member), Anthony Richards, Bob Law, Bob Preston, Brian Jeffs, Chris Grant, Dave Bell, David Utting, Diana Baxter, Diane Grocock, Graham Reeves, Ian Gamble, Janet Jones, Jennie Owen, John Forgham, John Hancock, Judy Souter, Julie Hart, Larissa Barker, Marcus Broughton, Maria Dimmer, Marilyn Grant, Marilyn Pile, Mark Woodall, Mary Cooke, Mary Rooks, Mavis Smith, May Phillips, Mick Sharpe, Mike Godfrey, Mike Goodrich, Paul Dimmer, Penny Bates, Rachel Hooke, Ray Grocock, Robin Phillips, Rosemary Stokes, Ruth Richards, Tom Merry.

1. Apologies for Absence

Cath Cramp, Cynthia Bollands, Eileen Pott, Howard Freeman, Janet Reeves, Jenny Freeman, John Bollands, John Howells, Linda Phipps, Ray Phipps.

2. Minutes of the Previous AGM

These had been circulated, and were passed *nem con.* Proposed by Howard Watmore, seconded by Frank Russell.

3. Matters Arising from the Minutes

None.

4. Chairman's Opening Remarks

Terry Bates thanked those present for turning up. Great to see so many of you - 28 of the 47 present were Tuesday morning walkers. Terry asked if the new format was acceptable and

everyone agreed that they would like to see it repeated in 2015. Terry thanked Dave Siddons for the excellent AGM report. Also he thanked the committee and others not on the committee for all their hard work. Terry told those gathered that ramblers could use The Linford anytime on walks. Terry asked if anyone else wanted to go on the New Years' Day Walk. Terry drew attention to Howard Watmore's idea of the yellow emergency contact card to be kept in our rucksacks. Terry reminded everyone not to use their own flasks at pub stops, but to buy a drink.

5. Treasurer's Report

Bob Collins, the Treasurer, presented his accounts for the year ending September 30th 2014. He said that the funds are in a good state with a surplus of £87 compared with the £5 surplus of last year, leading to a net assets total of £1,118. In respect of the Group Coach Accounts, the deficit of £479 has increased over the deficit of £155 in the previous year, leading to a net assets total of £1,328 which is still at a very satisfactory level. The accounts were passed *nem con*. Proposed by Dave Siddons and seconded by Dave Bell.

Bob asked for leaders to continue filling in expenses forms and if they so wish to donate the money back to the group. This will show the true cost of walk leaders' expenses to Central Office and we should be able to claim more for the group.

6. Other Reports

Tuesday Evening Walks

John Jackson asked why the numbers on Tuesday evening walks had gone down. Graham Reeves said that it was possibly due to wet weather and competition from the Football World Cup on TV.

Mary Rooks wondered if the fall in numbers was in any way tied up with Saturday morning walks as both could attract members who are still working.

Coach Rambles

John Rhodes said that there were only 31 on the September coach but that the reserve was in place to deal with this. 3 seats still available on the Christmas coach. All 2015 coach leaders have been arranged, just a C walk still to cover in 2016.

Frank Russell asked about the coach fare - John was not prepared to say what the future price will be.

The other reports were made available to all members present, and were accepted *nem con.* Proposed by Mary Rooks and seconded by Chris Grant.

7. Election of the Committee

		Proposer	Secunder
Chairman	Terry Bates	Howard Watmore	Dave Bell
Vice-chairman	Howard Watmore	Terry Bates	Dave Bell
Secretary	Phil Freer	Howard Watmore	Dave Siddons
Treasurer	Bob Collins	Terry Bates	Frank Russell
Programme Secretary	Dave Siddons	Anne Bates	Frank Russell
Footpaths Secretary	VACANT		
Coach Secretary	John Rhodes	Terry Bates	Dave Bell
Maps & Statistics	Jenny Freeman	Graham Reeves	Howard Watmore
Publicity & Website	Howard Freeman	Terry Bates	Chris Grant
Minutes Secretary	Anne Bates	Chris Grant	Ruth Richards
Membership Secretary	Ray Phipps	Terry Bates	Frank Russell
Social Secretary	VACANT		
Committee Member	John Jackson	Terry Bates	Graham Reeves
Committee Member	Frank Russell	Dave Siddons	Bob Collins

Frank Russell to give some thought to becoming Footpaths Secretary

8. Any Other Business

Mike Goodrich said that over the last 2 years there have been holidays to Corsica, Spain and The Dolomites. In 2015 a group of 10 are going to Crete - looking for 2 more people to share a room. Holiday starts May 4th and return on May 11th. John Hooke who runs the Edinburgh based company called 'Hooked On Walking' organises self guided walks all over Europe. Their packages include booking hotels, transfer of baggage, planning a series of walks, supplying maps and instructions. Day walks of 10 - 12 miles.

Mary Rooks asked if any transport would be available if someone wanted a day off between walks. Mike was unable to answer this question.

Mike Goodrich said that newcomers find Leicestershire people

difficult to get to know, but he has not found it so. He pointed out that on some walks there are 'cliques' forming. He feels that we might be chasing newcomers away and suggests that leaders need to make an effort to welcome newcomers and make them feel included.

John Rhodes said that he always introduces newcomers at the beginning of a walk but feels it is a two way thing.

Terry Bates asked that we all make everyone feel welcome.

David Utting asked it would be possible to put the pub postcodes on the programme. We will look into this.

Mary Rooks is helping Amy Morgan with the 'Get Walking Keep Walking' programme. All of these short walks can be travelled to on public transport. Mary wonders if something could go on our website to say that there is a bus connection to the start of walks.

John Rhodes is concerned that the mini holidays are clashing with coach ramble dates. John Jackson has spoken to Jenny Mann about this but it keeps happening. Terry Bates to speak to Jenny Mann about this.

Meeting closed at 3.45pm

CHAIRMAN 'S REPORT

Our last AGM in 2014 was different from any past one. We met at *The Linford* in Newtown Linford and did a 5½ mile walk. A free buffet lunch followed the walk. There was very little food left at the end! Peter Osborne then gave a talk *'Walking from the Landowner's Point of View'* which was well received by our members. During the talk a drama occurred when Brian Jeffs appeared to faint and fell sideways onto my shoulder. Anne and myself carried him to the back of the room. Rachel Hooke and Anne practised their first aid skills on him. I called 999 and a paramedic was soon on the scene. Thankfully Brian eventually recovered and was told by the paramedic that he must visit his GP. While the drama evolved Peter Osborne soldiered on with his talk without a stop - well done Peter!

An update on Dave Worth who had a nasty accident on a Tuesday walk in March 2013: Dave was out on a walk in September 2015 and looked very fit. He was using just one stick.

On 15th January 2015 a Radio Leicester reporter came to *The Royal Oak* in Cossington to talk to members about rambling. It was the 80th anniversary this year since the Ramblers Association began. Terry Bates, Anne Bates, Mike Godfrey and Cynthia Bolland were interviewed before the walk began.

The social side of things is going strong. A skittles evening was held in March at the Rose and Crown in Thurnby. 30 members had a very enjoyable evening and a delicious supper. A raffle raised £55 and various gift donations for the Air Ambulance. Frank Russell organised another skittles evening in October, which attracted 27 members.

A 'Posh Pie Night' was arranged in November at Beaumanor Hall by Anthony and Ruth Richards.

If these social events prove to be popular we will organise more events in the future. All we need is support from you the members.

Personally 2015 was not the best year I have had. I needed 2 heart procedures and a nose operation, and in October I had a wisdom tooth removed at the LRI. I hope 2016 is going to be a lot better!

My grateful thanks go to our great committee again. They have done a grand job. Our sub-committee members who sort out walks also deserve a big thank you. Finally our programme distribution team and Brenda who does much map work also need my sincere thanks.

Our growing list of leaders just gets better each year. There were approximately 270 walks in 2015. The group is the envy of Leicestershire and quite probably the whole country!

Leicester group hosted the 2015 area quiz evening at *The Linford* at the end of October.

Terry Bates

SECRETARY'S REPORT

For about 6 months I have been out of action due to medical problems; hence this is a very brief report.

There has been no correspondence of any significance over the last 12 months apart from matters relating to the national Big Pathwatch project. The start date for this project was 13 July 2015 and we were given a very short time to respond. A 1km grid is chosen by a rambler who reports back details of footpath problems and "the wonderful things you want to share" within each grid. This is a national project and Central Office aims to do 30,000 grid squares.

We had an enjoyable evening on 10th October 2015 playing skittles at the Rose & Crown pub in Thurnby.

It has been a quiet year apart from the above with membership numbers and finances being satisfactory.

Phil Freer

PUBLICITY SECRETARY & WEBSITE MANAGER'S REPORT

During the last year our website had a major makeover. the major objectives being to make access to the calendar easier and to re-invigorate the interface. Some feedback has been received and acted upon. The changes seem to be working as usage has been consistently high over the year, peaking in February, April and May. The summer months traditionally show lower usage figures. The number of users peaks in the months from January to May, averaging 420 per month. Visitors come from over 90 countries, with the second highest number coming, bizarrely, from Brazil. The top four countries and their sessions are UK (3789), Brazil (429), US (94) and Italy (77). We had one visit from Vanuatu.

The most popular page was the home page and generally walkers need look no further as there is an abbreviated calendar of walks there. The next most popular page was the full walks calendar: no surprises here, then.

The most popular search engine used to find us is Google (88%). Over 50% of users come directly to the site or via a link from another website, which is positive as it means other websites list us and link to us. Our most popular referrer is the Ramblers' Association web site with walkinginleic.co.uk a close second.

Over the past year we have had 60 requests for information via the "Contact Us" form on the website. We know that some of these requests get converted into walkers but no numerical data is available. Common contact requests refer to dogs on walks and the availability of lifts to walk starts.

Howard Freeman

MEMBERSHIP SECRETARY'S REPORT

Yet again I have to report that overall membership of the group is relatively static. During the year I have sent out almost 60 "welcome" packs but as you see below the Group's total membership has increased by only 11.

As I stated last year we now get weekly and monthly updates by e-mail and since the encryption (for data protection) was removed (because it prevented some downloads getting through), I have received the updates without any problems.

The full figures as at the end of September 2015 are: - (2014 figures in brackets.)

1. Total membership	464	(453)
2. Individual	175	(168)
3. Joint	162	(158)
4. Concession	69	(71)
5. Joint concession	39	(38)
6. Life	19	(19)

The 11 new members represent an annual percentage rise of 2.4% which is considerably better than the national average of minus 0.2%

Ray Phipps

MAP LIBRARIAN & STATISTICS REPORT

Statistics - Average attendance on walks

	2010-11	2011-12	2012-13	2013-14	2014-15
Sunday full day	15	14	15	14	15
Saturday full day	8	8	9	8	8
Tuesday Morning	13	12	16	23	24
Tuesday Evening	22	15	21	13	20
Thursday Morning	30	23	23	26	24
Thursday full day	8	8	9	9	9
Sunday shorter day				12	12
Coach walk	39	43	46	43	46

Our walks programme continues to be very well supported. Tuesday evenings have been well attended this summer and a new group for Saturday mornings is gradually growing, numbers of which will be included in next year's statistics.

Map Library

Several Explorer maps were bought this year for areas not visited recently by the Coach Ramble. We have an extensive library of maps in areas within 2 hours drive of Leicester. All members are entitled to borrow these for a month for their own use. I hold the out-of-county maps and Brenda Greer holds the Leicestershire copies. Email me in the first instance with your requests.

Jenny Freeman

FOOTPATHS SECRETARY'S REPORT

As you are probably aware Ramblers in Leicestershire and Rutland carry out a rolling survey of the entire rights-of-way network every four years. At present we are three parts through the 2013- 2016 cycle, but we are looking for volunteers to check the remaining squares before the end of 2016.

The whole of Leicestershire and Rutland has been split into 5 Kilometre square and individuals can pick any square in the region not yet checked and walk the paths and report any faults, such as broken stiles, missing signs etc.

Volunteers will be issued with a monitoring pack containing a map of the square selected with footpath numbers marked. Detailed instructions of how to conduct the survey with a printed schedule to report findings are included. Very detailed sketch maps of individual paths will be supplied to ease the identification of trouble spots.

Surveys of this nature are very important at the present time with severe County Council cutbacks in the offing. It is equally

important that we take secateurs with us on our walks to clear overgrowth around stiles and footbridges and report any faults we come across.

We must all be vigilant to prevent any deterioration in the state of the footpath network and try to maintain them "easy to use".

If you can assist please contact John Jackson on 0116 2865735 or contact any committee member.

John Jackson

WALKS & PROGRAMME SECRETARY'S REPORT

A glance at the walk statistics shows just how successful the Group is at providing a variety of walks for ramblers of all abilities and situations. Saturday morning walks have been increased to two a month, Tuesday morning walks continue to attract more and more people, and coach rambles are again almost filling the coaches. The shorter Sunday walks have also been a great success.

On the current programme, the walks are being led by 65 leaders out of a potential number of just over one hundred. We are indeed fortunate in having so many members willing to give up their time and expertise making our walks happen.

This year we have introduced afternoon seminars on Elementary Mapreading and Navigation, and these have proved very successful, with excellent feedback from the 14 people who have taken part. These seminars, limited to three people for each one, comprise both theory and outdoor practice. We hope to make them available again when required in the future.

Dave Siddons

REPORTS BY THE WALK ORGANISERS

SATURDAY MORNING WALKS

I took over organizing these walks from Diana Baxter who has not been able to do any walking since January due to a hip problem. Diana organized the programme up until July with one walk a month. I have increased the number of walks to twelve for the current six month programme with the aim of trying to encourage more people, particularly people who are working. When I joined Staines Ramblers in 2000 these walks of the same format attracted me, as I was working then – it left the afternoon free for shopping, etc.

Numbers on the walks have varied from one or two to a dozen with an average of about six. I think it will take time to build up numbers until more people become aware of them. This is why I am happy for leaders to repeat a Tuesday or Thursday morning walk on a Saturday to avoid two walkouts and thus any disappointment at a low turnout.

I would like to thank all the leaders and people who have supported the group over the last year.

Bob Collins

TUESDAY EVENING WALKS

We have experienced a better summer for the evening walks this year, despite the weather on the first walk from Thurcaston, where we had heavy rain, with 16 hardy walkers attending. Overall we managed an average of 19.5 walkers for the season, which was much improved on the previous year.

Unfortunately we will be losing one of our leaders next year, as Jeff and Lily Evans are leaving Leicester and moving to Herefordshire. They will be sadly missed, but we wish them all the best for the future, and hope they will visit sometime. However I am pleased to say that Elaine Morgan who has walked with us a few times, has agreed to lead a walk from Gumley in the next

programme, so I would like to give a big thank you to all the people who volunteer to lead our walks, and keep the Tuesday evenings going.

Once again we had our end of season social evening at the Black Boy Pub in Hungarton, where everyone enjoyed the good food, but alas I could only look on as I was unwell at the time. Better luck next year hopefully.

Janet Reeves

TUESDAY MORNING WALKS

This has been another wonderful year for Tuesday morning walkers. The weather on most Tuesdays has been very kind to us!

We've had quite a few new walkers join us this year and some have now become regulars. We have an overall walk average of 24, with our highest number being 34 and 14 our lowest.

Our Christmas walk was from Market Bosworth with lunch at Bosworth Hall. 37 joined the walk and 40 sat down for an excellent lunch which was greatly enjoyed by everyone. As there were so many walkers on this day we had 2 leaders; they both followed the same route, but from opposite directions.

A huge THANK YOU to all those who lead walks on Tuesday mornings. We are so fortunate to have people willing to give their time and effort in pre-walking and leading walks for the enjoyment of others.

Anne Bates

THURSDAY MORNING & ALL-DAY RAMBLES

SHORT MORNING WALKS – 5 to 6 MILES WITH PUB LUNCH STOP

Attendance on these morning walks was about the same as last year – about 26 and we are still attracting new members. One or two of these new walkers are experienced ramblers although they have not been out walking with a club before and must like our group as they keep coming.

The weather over the last year has been good for walking. It has been generally dry and we didn't have a very cold winter and this may have contributed to the consistent turn-out each Thursday.

Again, we have a wide and willing membership contributing to leading these walks with several husband and wife partnerships now joining in planning and leading them. It is rewarding to see new members coming forward to share in arranging these rambles and it shows most people who enjoy their weekly walk are prepared put something back into their pastime for the pleasure of others.

Last Christmas the Festival Lunch was held at Cosby Golf Club after a short walk round the local area. This event attracts more walkers than normal so we have to split the ramble into two parties each with its own leader heading off in different directions. 43 members enjoyed an excellent meal with coffee, mince pies, party hats and crackers and a merry time was had by all.

LONG ALL DAY WALKS – 10 TO 11 MILES WITH PUB LUNCH STOP

These longer rambles are usually about 10 to 11 miles, starting at 10 am and finishing about 4pm.

Now an established part of the Leicester Groups walk programme they are becoming increasingly popular, averaging this year about 12 walkers. This is a pleasing increase on previous years with several new and more experienced walkers joining us some from walking groups in neighbouring counties. The new members have been attracted by these longer and more diverse walks which few other groups include in their programme of activities.

A number of members suggested new walk venues and have volunteered to lead them and some of these are included in the forthcoming programme. Also, there have been several requests to increase the number of long walks, so, the frequency has been changed to one every two weeks. Better car sharing arrangements mean more walks outside Leicestershire can be included, but not too far away in order to limit travel time and costs

John Jackson

LEISURELY STROLLS

These 3-4 mile walks continue to be offered on selected Thursday mornings, but with little take-up. For anyone who, for whatever reason, just doesn't want to walk fast, or for long distances, or forever climbing over stiles, these are an ideal way to get a bit of outdoor exercise followed by a good meal in a pub with the other regular Thursday walkers.

Dave Siddons

LONG SUNDAY WALKS

The past year's Sunday Walks programme again featured some favourite and some new venues, and it's always nice when we occasionally get visitors from other areas who find our details on the web site.

Numbers attending have fluctuated, but are generally around the mid-teens. It would be great if we could attract new people onto our walks, so if you know of someone who may be interested please twist their arms and get them to come along - we're a very friendly group.

Finally, my sincere thanks go out to my excellent band of Sunday leaders; without their dedicated work we wouldn't have such a varied Sunday Walks programme.

Brian Jeffs

SUNDAY SHORTER WALKS

The Shorter Sunday Walks have continued to be successful and have built up a group of regular walkers. Generally the walks requiring shorter driving distances have been more popular.

A particular highlight this year was a route taking in Borough Wood and Thornton, lead by Dave and Shirley Bell where the bluebells were at their best and such a beautiful sight to behold. We also enjoyed a couple of walks that took us through very varied woodland on the new National Forest Trail.

These monthly walks are only possible through the very generous support of a few volunteer leaders and Marilyn and I would like to thank them very much for their contribution. We are now looking forward to our December walk from Launde Abbey where, for the first time we hope to have a Christmas meal afterwards.

Penny Bates and Marilyn Pile

SATURDAY ALL-DAY RAMBLES & HOLIDAY PROGRAMME

We were able once again to offer a good selection of Saturday walks. Derbyshire is probably the most popular destination, but other areas were covered too. An enormous thanks to everyone who led over the last year.

The mini-holiday in September was based at Buttermere YHA. We had excellent weather and climbed in the region of 16,000 ft over the 4/5 days.

The April weekend at Bridges proved to be very successful and some of the popular peaks in the area were tackled.

Jenny Mann

COACH RAMBLES

This has been another good year for our coach trips. Most outings have been well attended with a particularly high attendance level during the summer months, a period when the level can fall away. This has resulted in our finances being in a satisfactory state, enabling us to make a small reduction in the fare.

We are continuing to attract new walkers on to our trips and most of these are becoming regular attenders; this is a most encouraging trend.

Your coach committee has brought out the 2016 programme which we hope everyone will find to be an interesting and varied one. This programme will shortly be displayed on our website. In the meantime, information cards can be obtained from the undersigned.

The list of leaders for next year is almost complete. It contains many familiar names but it would be nice to add some new names to the list to ensure the continuation of our trips well into the future. Full support will be given to any volunteer.

My thanks to all of our members who have led walks this year and also to those who have agreed to lead walks in 2016.

John Rhodes

**RAMBLERS' ASSOCIATION
LEICESTER & DISTRICT GROUP
TREASURER'S REPORT 2014/15**

With respect to the main Group Accounts, most of the increase in income over the previous year was due to donations from Ramblers' Holidays in respect of members' holidays with them (which is expected to continue at an unknown level in the current year). A large part of the increase in expenditure over the previous year is due to a the higher cost of the AGM, which is mainly down to two year's costs (2014 and 2015) of publicising the AGMs (2 x £35). The net result is a higher surplus of £122 compared to the £87 surplus in the previous year, leading to a net assets total of £1,240, which remains at a satisfactory level.

Members should note that if they take a holiday with Ramblers' Holidays and they inform them that they are members of Leicester Group, they will donate £10, £20 or £30 per person for holidays taken in the UK, Europe or Worldwide respectively to us.

In respect of the Group Coach Accounts, the deficit of £479 in the previous year has been converted into a surplus of £410, leading to a net assets total of £1,738 as at the year end, which is at a satisfactory level. The Coach Secretary's report will advise further on the situation.
