GENERAL WALK NOTES

All walks are circular unless otherwise stated.
These notes apply to all walks.

CAR PARKING AT WALK START POINT
Show consideration for locals when parking in villages. Walk leaders will advise on parking. If you don't intend having a meal or a drink at the pub, please do NOT use the pub car park.

GENERAL

- Bring food and drink for rest breaks and lunch. All walks (except Tuesday evenings) have a ten minute 'coffee break' during the morning and afternoon. Lunch stops are normally at pubs. Food may only be consumed on the premises after permission has been granted. Pub users are expected to buy a drink, so no flasks on pub premises please.
- Members of clubs affiliated to The Ramblers are welcome to join us on our walks.
- NON-MEMBERS are welcome to join any of our walks, but after three walks, they are expected to join and support the aims of The Ramblers.
- DOGS are not allowed on any of our rambles.

HEALTH AND SAFETY

All sporting and leisure activities have inherent hazards associated with them, and rambling is no exception; accidents will occasionally occur. It is important therefore that when entering into the activity, each member appreciates that they have a personal responsibility to identify the hazards and take all reasonable steps to eliminate or minimise the potential for an accident to arise.
